**Rural Leadership  
Program 2023**

At Marcus Oldham, we believe that when it comes to your future, it's important to invest in yourself. Our Rural Leadership Program gives you the tools to excel as an innovative, engaged and passionate industry and community leader. What sets this Rural Leadership Program apart from others is that we draw participants nationally from a broad cross section of rural business, industry and community sectors, to create the most challenging and inspiring setting to enhance your learning.

### Program overview

Over the course of a week you will develop leadership, communication and planning skills. Through personal involvement and group participation you will gain an understanding of your own strengths and development needs, as well as having the opportunity to network with keynote speakers from a range of rural and community organisations from across Australia. This program is designed to connect you with prominent community and industry leaders to maximise your learning experience. The program is supported by NAB Agribusiness.

- Participant cost \$3,300 incl. GST
- Early bird discount price: \$2,800 incl. GST for paid applications received on or before 27<sup>th</sup> January 2023

### Who should attend?

The program is open to leaders and emerging leaders from across rural Australia. Applicants are accepted based on their:

- potential to contribute as a leader in their community and industry
- self-confidence and personal effectiveness
- demonstrated desire to develop their leadership skills, self-confidence and personal effectiveness
- capacity to contribute to our diverse national industry, sector and role representation criteria

There are no maximum age or experience criteria, however, it is preferable participants should be at least 21 years of age.

### Learning outcomes

You can expect to gain:

- an appreciation of the demands of leadership within the current rural environment
- awareness of the five major practices of successful leaders
- an understanding of your own strengths and development needs, and how these interact
- communication strategies
- decision-making skills

You can expect to understand:

- what are the leadership behaviours and actions that make a difference
- strategy development and implementation
- confidence to implement knowledge into your specific work and community context

You can expect to experience:

- time to reflect on the events of your personal and work life up until now
- networking opportunities with agri-related industry and community leaders who face a range of similar leadership challenges in their work, family and community lives
- hands on experiential learning environment
